

FISIPOL UGM ASEAN+1 Scholarship Program

Full-time International Undergraduate Program

FISIPOL UGM ASEAN+1 Scholarship Program is dedicated for high school graduates across ASEAN countries (except Indonesia) and Timor Leste and it is available for 6 potential candidates who wish to broaden their knowledge in the field of Public Policy and Management, International Relations, and Communication Science with each program accepting 2 scholarship awardees. This program is in line with UGM's broader goal as a leading university in Southeast Asia, specifically to strengthen FISIPOL's International Undergraduate Program (IUP) profile globally. Through this program, FISIPOL UGM aims at supporting Indonesia's diplomacy in ASEAN and Pacific countries.

Application Process
